<b>Way MCPE ?</b>	<b>MCPE Philosophy</b>	<b>MCPE Objective</b>
<p>Knowledge is a perishable commodity. it becomes obsolete with the passage of time. it has to be re-affirmed, re-learnt, re-practised at all time. Skill renewal through continuous formal training is, therefore, inevitable. That is the essence of MCPE.</p>	<p>Continuous development of knowledge, judgment and expertise is a fact of life in today's business environment.</p>	<p>To Continuously update the technical Skills and competencies of the Chartered Accountant through value added training programmes provided at minimum costs and designed to enhance productivity and social responsiveness</p>
